11. Guest Speaker: Glynis Peterson– NSW Business Chamber

Has been with NSW Bus Chamber for 2 years

Together all 200 active chambers with 30,000 businesses within NSW alone

The Alliance Program has been introduced to bring the local chambers & NSW Business Chamber together Benefits of the Chamber Alliance Partnership which are offered to members are – workplace advice line; online business health check; business legal toolkit; business guidelines; business magazine. All of these services are offered as part of the partnership.

In order for the NSW Business Chamber & Narellan Chamber of Commerce (NCC) to become partners, 70% of Narellan Chamber members have to ‘opt in’ ie register their business. Once this has been achieved the partnership will begin and ALL members of the NCC will benefit from this.

NSW Business Chamber represents regions dealing with issues – eg: railway line to West – some businesses have already relocated to benefit from this, however what is the impact on their business should this railway line not go ahead. They also address issues such as electricity price increases and the impact on business.

Our guest speaker was formally thanked by Paul Mingay – Narellan Motor Inn

13. Meeting Closure – 9.00 PM
